4. What did they put on the door posts? **Blood of lamb**
5. Who died if there was no blood? **First born**
6. Houses with blood where _____ . **passed over**

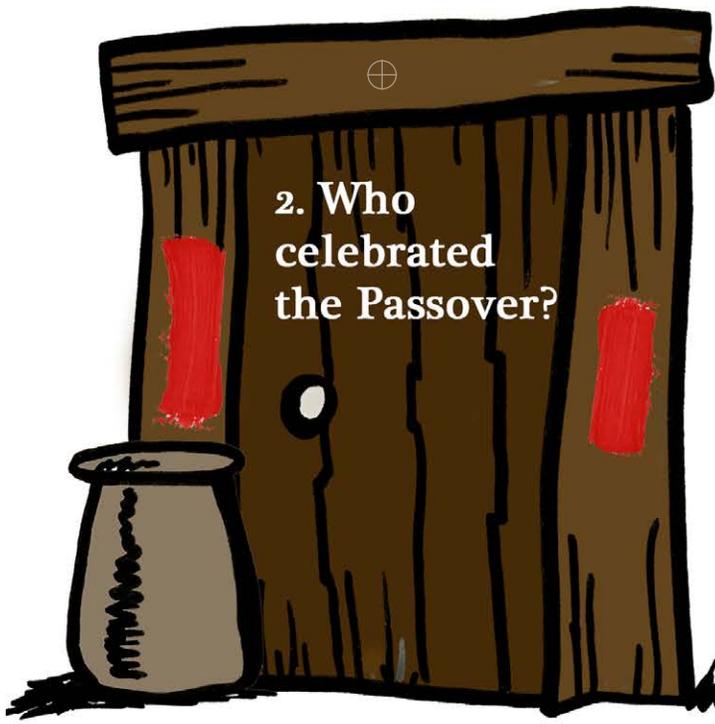

1. What book tells about the Passover?

Exodus

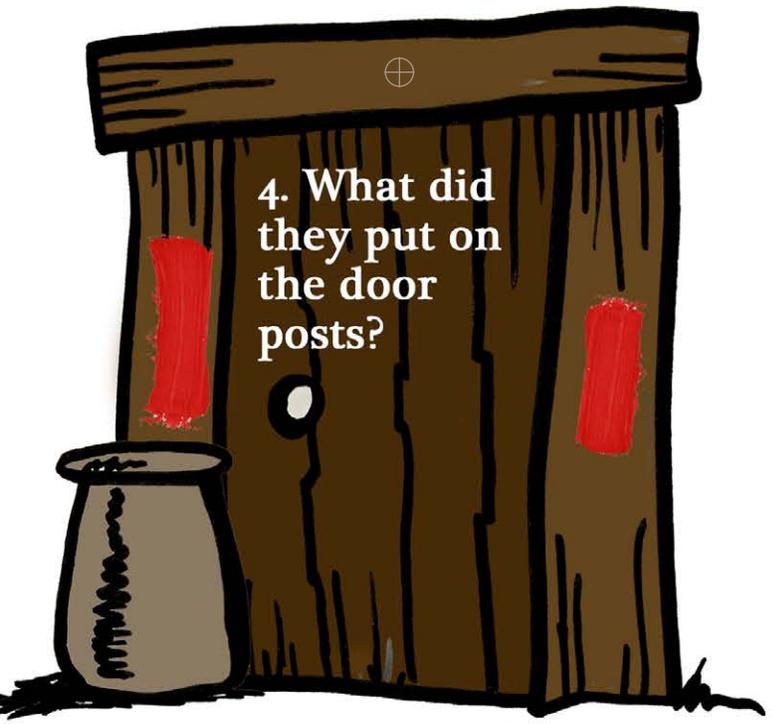

3. The lamb had to have _____.

no blemish

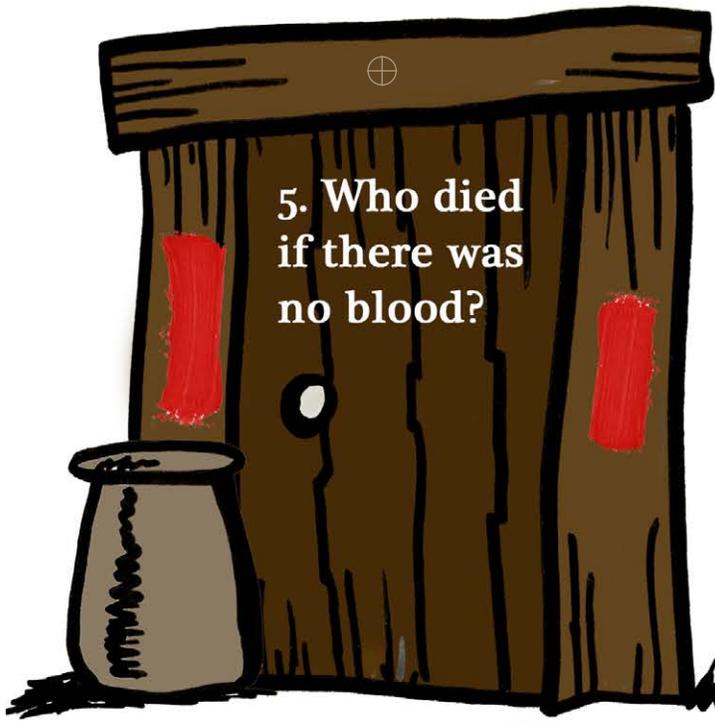

2. Who celebrated the Passover?

Israelites

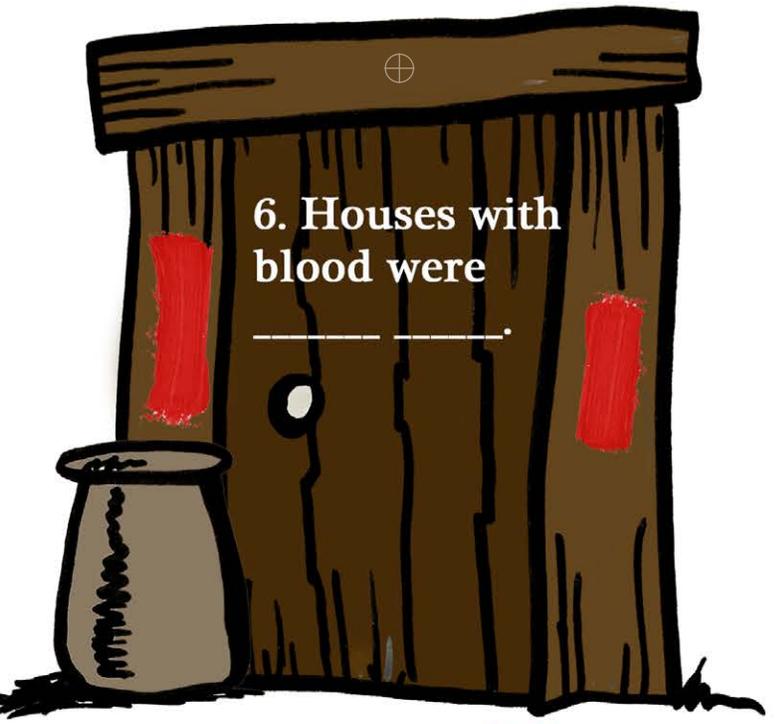

4. What did they put on the door posts?

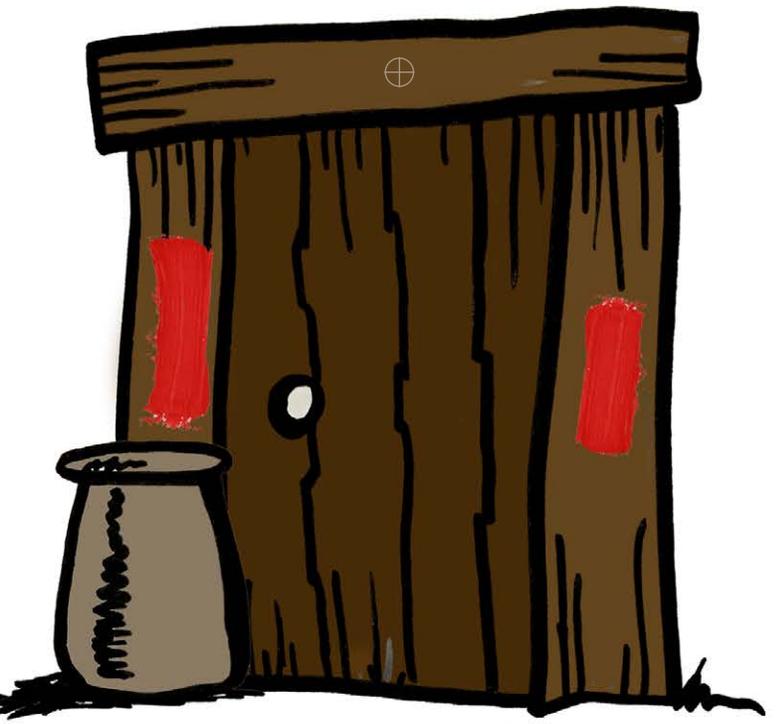

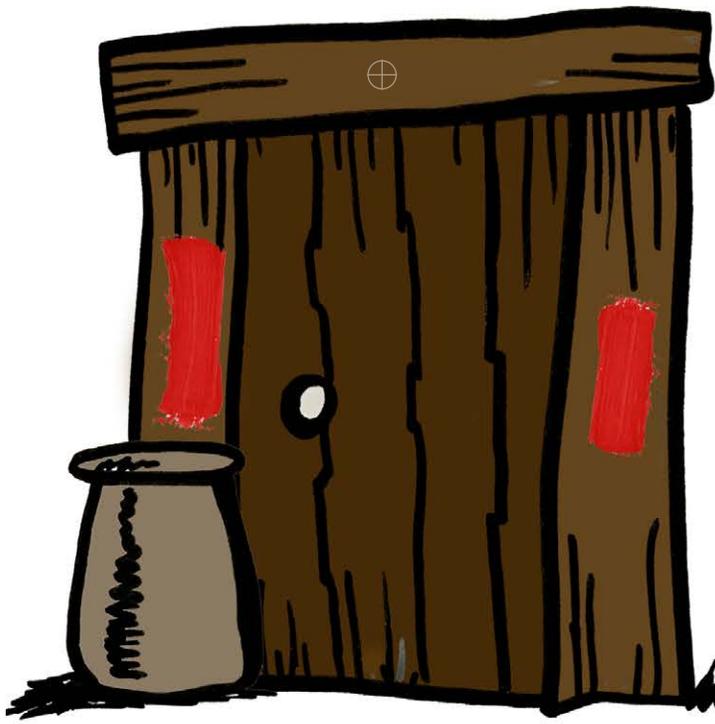

Blood of Lamb

First born

passed over

Instructions

1. Print all pages onto letter size white card stock.
2. Cut out cover image and answer key along the lines.
3. Glue answer key to the **back** of the cover image **before** laminating it.
 - I recommend Elmer's Rubber Cement because it is acid free.
 - Let it dry completely before laminating.
4. Laminate everything including double-sided cover and answer key for long-term durability. Instead of laminating, you may use clear Contact paper.
5. Trim the edges of the cover page.
6. Cut out doors and blood.
7. I recommend the use of 3/8" Velcro Dots instead of magnets. They are self-sticking and will last a very long time on laminated items. Notice that half of the Velcro Dots are clear, and half are white.
 - Remove one clear 3/8" Velcro Dot from the package.
 - Attach the CLEAR DOT to the top of the door frame on the mark.
 - The white Velcro Dot will be used on the back of the blood swipe where will not be noticeable.
8. Place the matching white Velcro Dot onto the clear dot with the Velcro sides touching each other.
9. Before adhering the blood swipe to the Dot, adjust its placement on the door post.
 - Place the back of the blood swipe on the sticky side of the Velcro Tab.
 - Attach all blood to the doors in the same way for uniformity.
10. Place everything in a 3-ring binder pencil pouch that has a clear plastic window. They are now ready for many years of use.
